**Sample Part # AD22-A-830-G1-U-OL1-1-0-W-QS**

QS must be listed at the end of the part number.

**Notes:**
- Quick Ship items must be on their own purchase order. QS must be listed at the end of the part number to qualify for the Quick Ship timeline. Orders submitted without QS at the end of the part number will be entered with a standard lead-time.
- Custom outputs are also included, but they must be between the high and low outputs listed on the Spec Sheets.
- Maximum of 12 inside corners and 12 horizontal corners per Quick Ship order.
- Submittal drawing required for all Battery Packs, Emergency Circuits, patterns, and continuous row configurations.
- End filler option used for fitting fixture into odd lengths. Filler is non-illuminated. Left and right end filler provided with EF specified. Please consult factory for orders with more than 25 end fillers.
