¹Each corner is 1'2" (14"), please see the E2 or E4 spec sheet for more information about the corners. The standard dimensions offered in the table are for the entire side, including the corners.

²Any pattern that is not standard, including non-standard dimensions and corners other than 90 degrees, will require an approval and quote before ordering. Please talk to your salesperson about the best way to communicate your custom needs to us.

³If using perimeter mount, please provide a RCP or drawing that clearly shows the wall side compared to the pattern.
